

GREENHILL ACADEMY SECONDARY
SENIOR FIVE HOLIDAY PROJECT
TERM II, 2026
S101/1 GENERAL PAPER

ACTIVITY: COMMUNITY RESEARCH PROPOSAL PROJECT (50 Marks)

During the holidays, you have noticed that your community faces different challenges such as poor waste disposal, unemployment, school dropout, drug abuse, teenage pregnancy, poor sanitation, poverty, road accidents or any other local problem. As a responsible citizen, you have decided to investigate one community challenge and propose practical solutions.

Task:

Prepare a Research Proposal on one community problem affecting your home area, village, parish, town or district.

Your proposal should include:

- a.** Research Title showing clearly the Independent Variable (IV), Dependent Variable (DV) and the scope (Content, Geographical and Time).
- b.** Background/Introduction and Statement of the Problem.
- c.** Three Specific Objectives and Three Research Questions
- d.** Methodology (Data Collection Methods, Data Collection Instruments, Sampling Techniques and Data Analysis).
- e.** Expected Outcomes (at least three), Significance of the Study, Conclusion

Note: Your research proposal should be based on your own community investigation. Marks will be awarded for originality, evidence collected, clear analysis of the problem and practical solutions proposed.
