

GREENHILL ACADEMY

PRIMARY THREE HOLIDAY RESEARCH ACTIVITY

TERM THREE, 2017

Activity One

Listen to either a TV or radio program and then write the following in your notebook.

- The name of the TV / Radio program.
- When the program on TV or when the radio program is on air.
- The name of the presenter / DJ / host.
- The name of the guest (if applicable) or name of the interviewee.
- Lessons learnt from watching or listening to the program.
- Then draw a picture about the situation relating to the program that you have watched / listened to.
- Write a caption underneath this drawing.
- Present this work to your teacher at the start of the new academic year.

Activity Two

- a) • List counting numbers 1 to 30.
- Circle all the multiples of 3.
 - Highlight the multiples of 4 in red
 - Identify the numbers that are both circled and coloured red and write them down.
 - What is the least common multiple of 3 and 4 in the list?
- b) With the help of your parent, write multiplication tables of 13, 14, 15, 16, 17, 18, 19 and 20.

Activity Three
