# GREENHILL ACADEMY
PRIMARY SIX HOLIDAY RESEARCH ACTIVITY
TERM THREE, 2017

Activity One

(i)   NUMBER TRIPLE (CHALLENGE)

You are required to put the number 1 - 17 in the circles so that each row of 3 numbers has a sum of 27. (The middle number is given.)

(ii)   SPORTS (CHALLENGE)

You are scheduling a chess club tournament. There are seven members and they play each other once. How many games must you schedule? (Make a list to help you.)

Activity Two

- Read newspapers during your holiday.
  Read the health or agriculture sections in The New Vision Newspaper every Tuesday or The Daily Monitor, every Wednesday. Cut out your chosen article, stick it in your book and then write two things that you have learnt from it. Write five questions relating to your chosen article and their respective answers as well. E.g. Wednesday 13th December, 2017
